OUR NEW STRING INSTRUMENT RENTAL
PROGRAM!**

The Dearborn Community Foundation, Inc., awarded \$3,452.00 to Southeast Indiana Youth Orchestra, Inc., from the City of Lawrenceburg Youth Grant Program, for purchase of beginner string instruments for an instrument rental program.

Through this program, we will be able to provide several interested students with a rental instrument at an affordable price! The student will also be given the option to apply all rental fees toward the purchase of the instrument.

Please email SEIYO (seiyorch@gmail.com) as soon as possible if you are interested in this new program; there are a limited number of instruments available.
